Nathan –

Patrick and I will be inspecting/touring the southeast Chicago neighborhood next Thursday, August 17<sup>th</sup>. We are not exactly sure which facilities we will be going on-site to, but we will be driving around SH Bell, Kinder Morgan (new owner), Chicago Port Railroad/Midwest Marine Terminals, and Chicago Port and Rail (previous Carneuse Lime site), LLC. The City of Chicago has been notified and will probably be going with us. I have left a voicemail for Jim Morgan, as he is the SHB contact, but is there someone else from IEPA we should contact?

Thanks.
